WINTER OVERNIGHT SHELTER

for Homeless Men
in the New River Valley

October 31, 2015—
March 26, 2016

Homelessness looks very different in the New River Valley than it does in more urban areas.

Individuals in our area who find themselves without housing often include those:

Experiencing long-term unemployment due to the economy.

Facing foreclosure or eviction.

Awaiting approval for government or veteran homeless-intervention programs or disability determination.

Persons in our area who have no permanent home are generally less visible because they may temporarily live in motels or with friends. Many of the guests who have found shelter through TOH have previously lived in:

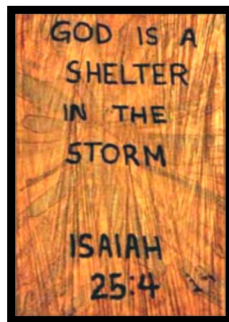

The woods

Caves

Storm culverts

A friend's pickup truck

A cardboard box

How TOH Works

1 Guests arrive at the Intake Center at the New River Community Action offices in Christiansburg between 5:00 – 5:30 p.m. (110 Roanoke St.-near the new Montgomery County courthouse).

2 Following sign-in and distribution of house rules, guests are transported to the host site for the evening.

3 A hot evening meal is provided with time for fellowship.

4 Guests enjoy breakfast in the morning and transportation back to the Intake Center. A bag lunch is provided for the day.

I was surrounded by warmth and meals and a group of homeless men who became like family to me

The TOH program literally saved my life.
